MEMBERSHIP APPLICATION

Soulstone Spa & Apothecary offers memberships to address your massage and budget needs. Services roll over for you to use when you need, however they expire after 12 months. You may gift accrued services to friends and family twice per year.

Benefits include:

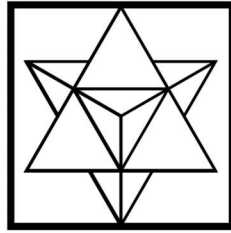

- free add-ons
- 15% off Apothecary items (except NeoGenesis products)
- 30% off additional massages each month
- Ability to gift accrued sessions
- Ability to purchase sessions for gifting at 40% off (2 per year)
- VIP access to spa events and programs

Our yearly packages offer even greater savings. Joining at these levels grants you a set amount of 60- or 90-minute massages to be used throughout the year. Yearly packages can be shared with designated members of the primary member's household ages 16 and older. Fees for the yearly memberships are charged yearly. Services do not roll over at the end of the 12-month membership period: use or gift the sessions before the 12 months are up.

Memberships are billed monthly via invoice and are due on the 15th of every month. You may opt for autopay whenever you pay your invoice. This is revokable anytime by clicking the link at the bottom of one of your digital receipts to reach your Card on File Dashboard. From your Dashboard, you can view or remove your payment cards linked. Prescheduled appointments may be canceled for lack of payment after the due date has passed.

Memberships may be canceled anytime in writing after a 4-month commitment. Refunds are not permitted; however, you may use or gift massage sessions that have rolled over. Alternatively, you may pause a membership for up to 4 months. This must also be in writing.
